Subject: Happy Lunar New Year from the NSW Jewish Board of Deputies

Dear Friends,

So exciting to read that this year's lucky colours are the Jewish ones: blue and white! Other connections are outlined in [this interesting article from 2018](#).

The NSW Jewish Board of Deputies wishes you, your family and your community a very Happy Lunar New Year. May the Year of the Rat bring you good fortune and prosperity.

Lynda,
on behalf of Lesli Berger, President; Natalie Rubinstein, Community Relations Committee Chair; and Vic Alhadeff, CEO
